Dear Interested Party:

On March 30, 2010 the Bureau of Land Management (BLM) Winnemucca District, Black Rock Field Office issued a Decision Record (DR) for the Black Rock City LLC (BRC) Special Recreation Permit (SRP), to conduct the 2011 Burning Man event. The DR allowed for the authorization of the Burning Man event on public lands in Pershing County, Nevada for a one-year period, with a maximum of 50,000 participants.

Based on public comments and agency coordination, the BLM is authorizing a one-year extension of the Burning Man event (2011) while it further evaluates the 5-year permit renewal proposal through an Environmental Assessment (EA).

The Determination of NEPA Adequacy (DNA) and DR can be viewed online at http://www.blm.gov/nv/st/en/fo/wfo/blm_information/nepa0/recreation/burning_man.html. A hardcopy of the DNA will be provided upon request, or is also available for review at the Winnemucca District Office during regular business hours, 7:30 a.m. to 4:30 p.m., Monday through Friday, except federal holidays.

If you do not agree with and feel that you are adversely affected by this decision you must appeal within 30 days of receipt of this decision in accordance with the provisions of 43 CFR Part 4. If you decide to appeal this decision, please follow the instructions on Form 1842-1, *Instructions on taking appeals to the Interior Board of Land Appeals*. The form can be obtained online at the link identified above.

If you have any questions or need additional information, please contact Cory Roegner, Project Lead, at (775) 623-1770 or by e-mail to: wfoweb@blm.gov. Email messages should reference "Burning Man Event (Roegner)" on the subject line.

Sincerely,

Rolando R. Mendez
Field Manager
Black Rock Field Office
